SILVER SUPERSEDED, and those corrosive and injurious Metals, called perfectly matchless ALBATA PLATE, C. WATSON, 41 & 42, BARBICAN, and 16, NORTON FOLGATE, aided by a person of Science in the amalgamation of Metals, has succeeded in bringing to Public Notice the most beautiful article ever yet offered; possessing all the richness of Silver in appearance, with all its durability and hardness—with its perfect sweetness in use, undergoing as it does, a Chemical Process, by which, all that is nauseous in mixed Metals is entirely extracted—resisting all Acids—may be cleaned as silver and is manufactured into every Article for the Table and Sideboard.

C. WATSON begs the Public will understand that this Metal is peculiarly his own, and that Silver is not more different from Gold, than his Metal is from all others—on its intrinsic merit alone he wishes it to be tested, and from the daily increasing eulogium he receives, he is convinced that nothing can prevent its becoming an article of universal wear. C. WATSON's handsomely ILLUSTRATED CATALOGUE and PRICE CURRENT, is just Published, and Families who regard economy and elegance, should possess themselves of this useful Book, which may be had GRATIS, and Post Free from the above Address.

GENERAL INSTRUCTIONS
FOR
RAILWAY TRAVELLERS.

The Doors of the booking offices are closed at the precise times appointed for starting the Trains, and Passengers should be at the intermediate Stations at least ten minutes before the specified times of departure.

It is very desirable that Passengers should have their name and destination stated in full on their luggage, and to mark the number of the carriage on which it is deposited—light luggage may be taken into the carriage. The Companies do not hold themselves responsible for luggage unless booked and paid for according to its value. The weight generally allowed each passenger is about 60lbs for second class, and 100lbs for first class passengers.

Preserve your Ticket until called for by the Companies' servant.

Post Horses may be readily obtained at each terminus, and at most of the principal Stations.

** Carriage Trucks and Horse Boxes are kept at all the principal Stations, but to prevent disappointment, it is recommended that notice be given the day previous to their being required, and they ought to be at the Station Twenty minutes before the time of starting.

At each terminus Omnibuses, Coaches, and Cabs are generally waiting the arrival of Trains.

Infants in arms, unable to walk, not charged, and children under Ten Years of age only half fare.

Dogs, at a small charge for each, are conveyed in a proper vehicle, but are not allowed to be taken inside the carriages.

Smoking not allowed at the Stations, nor in any of the carriages.

No fees or gratuities are allowed to be received by any of the Companies' servants, but they are strictly enjoined to pay every attention to the convenience of passengers.

Do not lean upon the door of the carriage, nor attempt to get out whilst it is in motion.
